

# 2014 Starting Well Challenge - Day 7 Worksheets

*Taking on too many projects drains our limited time, energy, and resources. The remainder of these 14 days hinges on our ability to say 'no' to opportunities that simply don't fit what we've committed to.*

## Putting Goals in their Place

Action Step:

1. Write your battle lines (Make as many copies of the page 2 or use a document or journal)
2. Slot your goals from Day 2 under the most appropriate battle lines
3. Add a battle line if you find a cluster of goals that need a home.
4. Add a goal, if you have a vital battle line without a goal (i.e. if Parenting is a role that is important to you, add 'Have one date activity with each child one time a month' or something like 'Become a more patient and fun-loving dad in 2014'.
